

OUR STORY

In 2008, four South Texas businessmen envisioned a return to the locally-owned, relationship style of banking that had been the backbone of communities for generations. Their dream, Texas Regional Bank, opened in 2010 and quickly grew. Today, as a result of careful planning, strategic investments, and sound management, TRB has become the bank of choice for many in the Rio Grande Valley and Texas Hill Country.

The values fueling this success are simple. Texas Regional Bank is a proud supporter of the local economy and involved in the communities we serve. We have a broad shareholder base and actively seek input from leaders in a wide range of businesses.

Our bankers are The People You Know and they are empowered to make decisions. TRB is committed to providing our clients with the latest banking technology, exceptional financial products, and exemplary customer service.

Relationship by relationship, account by account, Texas Regional Bank is growing to meet the banking needs of families and businesses in communities large and small.
